September 6, 2020

Dear Gahanna-Jefferson Families,

I hope you've had a nice holiday weekend thus far. Friday evening I shared information about our upcoming transition to the hybrid learning model that will begin on October 13th, 2020.

In this email, you will find a link to those details as well as a survey link for families interested in opting out of the hybrid model. Please review all documents thoroughly to help you make your decision and complete the survey by **Thursday, September 10, 2020**, if you wish to choose distance learning for your student(s).

As a reminder, you **DO NOT** need to complete the survey if you wish to have your student(s) transitioned to the hybrid model.
