I understand that two (2) successful seasons must be completed to waive the Physical Education graduation requirement and that no credit is earned for the waived activity. I understand that after each activity/sport season is complete, I will need to fill out this form and obtain all the required signatures prior to turning the form into the Guidance Office. In total I will have completed two (2) successful seasons, therefore I will have completed (2) of these forms throughout H.S. to receive my full Physical Education exemption.

Reminders: Students must complete (2) seasons as defined by the advisor/coach/director in order to qualify for the exemption. No partial credit is given. Exempted students must complete one-half unit in another curricular area. While one-half unit of PE requires a minimum of 120 hours of instruction, one-half unit in all other curricular areas requires a minimum of 60 hours of instruction. This one-half unit in another curricular area keeps the minimum number of credits required for graduation at 20.
