General Indoor Recess Rules"

1. All students are to be seated either at desks, tables, or on the floor.
2. There is to be no running or throwing in the classroom.
3. There is to be no visiting between classrooms.
4. Board games, etc. are permitted as specified by the classroom teacher.
5. No electronic games are permitted during inside recess (iPads, cell phones, iPods, Gameboys, etc.)
6. Computers may not be used without the classroom teacher present during inside recess.

Your cooperation in informing us of changes in transportation, reporting absences, and updating your child's emergency medical authorization in Home Access Center (hac.gjps.org) is appreciated. Updating the emergency medical authorization with changes in phone numbers, emergency contact numbers, and family information will assist us in providing a safe and nurturing learning environment. Your child's safety is our primary concern.

Your child's safety is our paramount concern. We would appreciate your assistance at arrival and dismissal to ensure everyone's safety. A few years ago, the Gahanna Police Department worked with school staff to establish a safe environment during arrival. Your cooperation in following these guidelines is appreciated. The safety of our children is everyone's responsibility.

Traffic Pattern Guidelines

1. The curb area directly in front of school on the West side of Empire will be for drop off only. NO PARKING IN THIS AREA from 7:00-9:00 AM. Please pull up as far as possible to drop off your child.
2. Vehicles for drop off should enter the drop off zone from the north side of Empire Drive. Please do not drop your child off on the east side of Empire as this causes congestion in front of the school.
3. Vehicles may enter the parking area for parking only. This reduces the number of vehicles exiting the parking lot to Empire Drive and makes the crosswalk much safer for our students. PLEASE DO NOT DROP OFF IN THE PARKING AREA OR FRONT DRIVE AREA.
4. Please be considerate of our neighbors by not blocking their driveways.
5. Your patience and understanding is appreciated.
6. The safety of children is everyone's concern.
7. Students may be picked up in front of the school or in the school parking lot behind the first row of vehicles. Parents using these areas for pickup must stay in their vehicles.

THIRD GRADE READING GUARANTEE

In June of 2012, Ohio passed a state law called the Third Grade Reading Guarantee which put a greater emphasis on reading instruction and intervention in the early grades. Through this initiative, school districts are required to identify reading deficiencies in kindergarten through third grade students using a diagnostic screening assessment before September 30th of each year. These assessments are then used to identify students who are “not on track” to be reading at grade level by the end of the school year. The Third Grade Reading Guarantee law states that all third graders must demonstrate competency and reading skills at grade level before they can be promoted to fourth grade. This competency can be exhibited by performing at or above the target score on state tests and district selected alternative assessment measures.

More information regarding the Third Grade Reading Guarantee will be communicated to parents throughout the school year. You can also visit the Ohio Department of Education's website for family resources at <http://education.ohio.gov/Topics/Early-Learning/Third-Grade-Reading-Guarantee/Third-Grade-Reading-Guarantee-Family-Resources>

Summary of GJPS Bullying and Other Forms of Aggressive Behavior Policy

Harassment, intimidation or bullying, is any written, verbal, or physical act that is intended to harm, intimidate, or bully another person. This includes any act that is intended to harm, intimidate, or bully another person through the use of electronic communication.

any intentional means any act that is intended to harm, intimidate, or bully another person.

any act that is intended to harm, intimidate, or bully another person.

any act that is intended to harm, intimidate, or bully another person.

any act that is intended to harm, intimidate, or bully another person.

any act that is intended to harm, intimidate, or bully another person.

repeated enough means any act that is repeated enough to be considered severe.

any act that is intended to harm, intimidate, or bully another person.

any act that is intended to harm, intimidate, or bully another person.

any act that is intended to harm, intimidate, or bully another person.

any act that is intended to harm, intimidate, or bully another person.

any act that is intended to harm, intimidate, or bully another person.

any act that is intended to harm, intimidate, or bully another person.

any act that is intended to harm, intimidate, or bully another person.

The policy applies at school, to and from school and at any school-sponsored event.

any act that is intended to harm, intimidate, or bully another person.

Parents are any person who has legal custody of a child or is a parent of a child.

any act that is intended to harm, intimidate, or bully another person.

Students are any person who is enrolled in a school or is a student of a school.

School personnel are any person who is employed by a school or is a volunteer of a school.

Administrators will:

any act that is intended to harm, intimidate, or bully another person.

any act that is intended to harm, intimidate, or bully another person.

any act that is intended to harm, intimidate, or bully another person.

any act that is intended to harm, intimidate, or bully another person.

Privacy and Immunity

any act that is intended to harm, intimidate, or bully another person.

any act that is intended to harm, intimidate, or bully another person.

UEJ QON'CVVGF CPEG'RONKEJ 'I WFGNPGU

Regular attendance is a most important factor in the establishment of a good scholastic record. Work missed through the absence from school is very difficult to make up. **Vj gt g'ku'PQ'UWDUVW'WG'ht 'cewcnit et vlek c'vqp'lp'vj g'f clq' " ercut qgo 'f kwukqp'cpf 'y qtn0'**

Enwugr'et g'lp'lgukqp'ht qo ' :22'CO '6'4<52'RO 0'Students are not permitted in the building after 2:45 PM unless supervised by a member of the faculty. The building office hours are from 7:15 AM – 3:30 PM. Students are **PQV** permitted to enter the building until 7:45 AM unless they are attending breakfast, which begins at 7:40 AM, or they are involved in an approved activity. Students are required to be in school on time for their first class. Students may not leave school between classes or before their last class without the permission of the office.

1. Ecm'kpu'P qvllc'vqp'qhl'Cdugpegu

Knowing where your sons and daughters are during the school day is very important to the school as well as you. The school and the parent/guardian need to work together to assure that we keep each other informed when students are not in school.

- a. The school is requesting that the parent/guardian make every effort to notify the school in **CNN** cases of student absence. Calls should be made to the school by 9:00 AM. Voicemail is available 24-hours a day. The number to call is (614) 478-5585.
- b. It is desired that the parent/guardian notify the school in advance of an absence when possible. For example, a phone call or a note from a parent/guardian on Wednesday to notify the school of an absence on Friday would be greatly appreciated.
- c. If a student is absent, the school will attempt to contact the parent/guardian who has **PQV** notified the school. If no contact is made, an explanation from the parent/guardian will be necessary**0'kivj g'lej qqif qgu' pqv't gegk'g'ep'g'zr n'pc'vqp'qhl'vj g'edugpeg'y kj lp'vj tgg'5+lej qqif c{ u'vj g'edugpeg'y knle'wqo c'vlec'nf " dg'epul'gt'gf 'wpgzewgf .**
- d. A student who signs in before 9:00 AM will be considered tardy. If it is after 9:00 AM, then the student will be marked as a half day of absence. If a student signs out before 9:00 AM, then it would be a full day of absence. A student who leaves after 1:30 PM will be marked as an early dismissal. Whether the absence from the time missed at school is considered excused or unexcused is dependent upon the reason given and to the discretion of the principal or his/her designee.

2. Gzewcdng'Tgcu'pu'ht'Cdugpeg

An excused absence may be granted at the discretion of the principal or his/her designee. **C'twof g'pv'y knlj cxg't" o lplo wo 'qhl'qpg'lej qqif c{ 'ht'gcej 'f c{ 'qhl'zewgf 'edugpeg'vq'b cng'wr 'cu'ki po g'pud'**An excused absence will only be granted for the time missed at school for the following reasons:

- A. personal illness, other health-related appointments, or professional appointments (a written physician's statement verifying the illness may be required and will be required after the tenth day of excused absences allowed by the District in a school year)
- B. illness in the family necessitating the presence of the child (a written physician's statement and an explanation as to why the child's absence was necessary may be required)
- C. quarantine of the home (as determined by the proper health officials)
- D. death of a relative (limited to a period of three (3) days unless a reasonable cause may be shown for a longer absence)
- E. necessary work at home due to absence or incapacity of parent(s)/guardian(s) (applicable only to a child over fourteen (14) years of age)
- F. observation or celebration of a bona fide religious holiday
- G. out-of-state travel to participate in a District-approved enrichment or extracurricular activity (up to a maximum of four (4) days per school year)
- H. emergency or other set of circumstances (as may be acceptable to the Superintendent)

- I. medically necessary leave for a pregnant student in accordance with Policy 5751
- J. service as a precinct officer at a primary, special, or general election in accordance with the program set forth in Policy 5725
- K. college visitation (not to exceed three (3) days per school year)
- L. family travel (which is included within the 10 days of excused absences allowed by the District)

The Superintendent may excuse a student over fourteen (14) years of age from attendance at school for a future limited period for the purpose of performing essential work directly or exclusively for his/her parents or guardians. Such excuse should not exceed five (5) days and may at the discretion of the Superintendent be renewed for five (5) additional days. At no time, however, shall such excuse cause a student to be absent from school for a period of more than ten (10) consecutive days.

At the discretion of the Superintendent or his/her designee, a student may be excused for a longer period of time than ten (10) days if a child's parent or guardian has recently died or become totally or partially incapacitated and there is no older brother or sister living in the home who is out of school. In such case, the Superintendent may request a certificate of a physician attesting to the physical condition of the parent or guardian.

3. Pggf u'O of lecnEqwt v'Gzewug'POEG-

After a student has been absent ten (10) days (excused or unexcused) in any school year, a letter will be sent to the home and may request a Needs Medical/Court Excuse (NMCE) for any additional days missed. This will require that the student have a doctor/dentist/court excuse for every absence in order for it to be excused. A student has three (3) days to provide a doctor, dentist, or court excuse. If the student does not have a doctor/dentist/court excuse, the absence will be unexcused. Students with a temperature of 100 degrees or higher or a communicable illness and have been sent home by the nurse will be excused by the school. An NMCE student who gets permission from his/her parent/guardian to go home from the clinic is unexcused. Truancy charges may be filed on a student who has five (5) or more unexcused absences after the 10th day of excused absences allowed by the District.

4. Vctf lpgu

Students late to school (after 8:00 AM) must report to the office to sign in before reporting to class. Parents/Guardians must provide an explanation for the tardiness. Excessive tardies that are unexcused may result in a disciplinary action by the office. **Ki'vj g'lej qqif qgu'pqv't gegk'g'ep'g'zr n'epc'v'qp'q'hi'vj g'vctf lpgu'y kj lp'vj tgg'5+' uej qqif c{ u'vj g'vctf lpgu'y kn'ewqo c'lecm' 'dg'eqpuf gtgf 'wpgzewugf .**

5. Wpgzewugf 'Cdupegu'Vctf lgu'Gctrf 'Fluo luen

The determination of whether or not the time missed from school is excused or unexcused will be at the discretion of the principal or his/her designee. Excessive absences, tardies, and early dismissals that are unexcused will result in a disciplinary action by the office. Examples of unexcused absences, tardies, and early dismissals include, but are not limited to:

- a. Cutting classes or study halls
- b. Missing the bus or a ride
- c. Oversleeping
- d. Shopping
- e. Suspension
- f. Truancy
- g. Lice (It may be unexcused if the absence related to lice is excessive.)

6. Vtwepef 'epf 'J cdlwen'Cdupeg

For those students who have habitual or chronic attendance problems, the administrator of the building will address those problems in accordance with state law and board policy. A student shall be considered truant each day he/she is absent without excuse from his/her assigned location.

A student will be considered "habitually truant" under State law if the student is absent without a legitimate excuse for five (5) or more consecutive school days, for seven (7) or more school days in one (1) month, or twelve (12) or more school days in one (1) school year.

A student will be considered “chronically truant” under State law if the student is absent without a legitimate excuse for seven (7) or more consecutive school days, for ten (10) or more school days in one (1) month, or for fifteen (15) or more school days in one (1) year.

Legitimate excuses for the absence of a student who is otherwise habitually or chronically truant include but are not limited to:

- A. the student was enrolled in another school district;
- B. the student was excused from attendance in accordance with R.C. 3321.04; or
- C. the student has received an age and schooling certificate.

If a student is “habitually truant” and the student’s parent has failed to cause the student’s attendance, the Board authorizes the Superintendent to file a complaint with the Judge of the Juvenile Court and/or to take any other appropriate intervention actions as set forth in this Board’s policy.

If a student is “chronically truant” and the student’s parent has failed to cause the student’s attendance, the Board authorizes the Superintendent to file a complaint with the Judge of the Juvenile Court and/or to take any other appropriate intervention actions as set forth in this Board’s policy.

In order to address the attendance practices of a student who is “habitually or chronically” truant, the Board authorizes the Superintendent or designee to take any of the following intervention actions:

- A. assign the student to a truancy intervention program
- B. provide counseling to the student
- C. request or require the student’s parent to attend a parental involvement program
- D. request or require a parent to attend a truancy prevention mediation program
- E. notify the Registrar of Motor Vehicles of the student’s absences
- F. take appropriate legal action
- G. assign the student to an alternative school

The Superintendent is authorized to establish an educational program for parents of truant students which is designed to encourage parents to ensure that their children attend school regularly. Any parent who does not complete the program is to be reported to law enforcement authorities for parental education neglect, a fourth class misdemeanor if found guilty.

Whenever any student of compulsory school age has ten (10) consecutive days or a total of fifteen (15) days of unexcused absence from school during any semester, s/he will be considered habitually absent. The Board authorizes the Superintendent or designee to inform the student and his/her parents, guardian, or custodian of the record of excessive absence as well as the District's intent to notify the Registrar of Motor Vehicles, if appropriate, and the Judge of the Juvenile Court of the student's excessive absence.

7. Tgwtpłpi 'tq'Uej qqitłgt 'łp'Cduępeg

All students should make arrangements to complete missed work. **C'łwłf gpv'y kłj cxg't'b łplo wo 'łłłłpg'łej qqr' f c' 'łqt'ęcej 'f c' 'łłłłduępeg'łq'b cng'łr 'łuki po gpvłł**

If a student misses more than one (1) day of school, homework may be requested by calling the office before 10:00 AM. Work will be sent to the office by 2:00 PM. It is the parent's/guardian's responsibility to make arrangements to have it picked up after this time.

8. Uęru'łqt 'Cduępeg'łł' 'Ręto kłkłp

Appointments with a doctor, dentist, court etc., should not be made during school time. In case this should be necessary, however, the parent/guardian of the student must contact the school prior to the student's first scheduled period. If the student is released, and it is learned that the excuse was **PQV** valid, the absence will be unexcused. Students leaving or returning to the school grounds during the school day **O WUV** first report to the office and be signed out by a parent/guardian or designated emergency contact.

9. Hco kł 'Vt cxgn

Ohio has specific compulsory attendance regulations, and Gahanna-Jefferson Public Schools must comply with those statutes. Ohio Revised Code Section 3321.02 states, “every child actually resident in the state shall be amenable to the laws relating to compulsory education, and neither he nor the person in charge of him shall be excused from the operations of said sections or the penalties under them on the ground that the child’s residency is

seasonal, that the parent of the child is a resident of another state, or that the child has attended school for the legal period in another state.”

Whenever a pre-planned absence or family travel is requested, the parent/guardian must discuss it with the principal. The length of absence should be made clear, and those involved should have an opportunity to express their views on the potential effects of the absence.

The District will only approve a student's absence for family travel when he/she will be in the company of his/her own parent/guardian or other family members but not other students' parent(s)/guardian(s), unless there are extenuating circumstances deemed appropriate by the principal. In order for the family travel to be an excused absence, it must be within the ten (10) days of excused absences allowed by the District.

If a student is absent for family travel outside of the ten (10) days of excused absences allowed by the District, he/she will be considered unexcused from school and subject to truancy regulations. The school district may be obligated to report the parent/guardian to the Franklin County Juvenile Court System and file charges of lack of compliance with the compulsory education rules. During this time period, the student may be given approximate assignments to be completed. The time missed will be counted as an authorized, unexcused absence but shall not be a factor in determining grades unless the make-up work is not completed.

In the event that the student knows in advance that he/she will be absent (e.g. family travel) for several days, the parent/guardian should send a note to the office a week in advance. The student will be given a **õRæppgf 'Cdugpeg' Hqto 0**. This form must be returned to the office before the planned absence begins. All make-up work is due on the first day the student returns from the planned absence. This work includes any tests that the student may have missed during his/her planned absence. **Y g'lt qpi n' f læqwt ci g'lp{ 'tæppgf 'tdugpeguf wt lpi 'vj g'icuv'y ggnlqh' cp{ 'i tcf lpi 'rgtkf 'qt' f wt lpi 'lævg/y k' g'vuglpi 0**

GJPS Wellness Committee meets at least four times a year to collaborate with parents, teachers, school administrators, students, school health professionals, and community members to further our culture of wellness. The WC is dedicated to improving the health of students through increasing physical activity and nutrition education. The Committee welcomes new members and publishes a newsletter periodically. Please see the Family Wellness area on the GJPS website under Child Nutrition for wellness resources and contact information.

Physical Education

A comprehensive physical education program is provided for students in K-12 with the academic content standards adopted by the State. The PE curriculum provides students with opportunities to learn and practice skills necessary to engage in lifelong, health-enhancing physical activity.

Nutrition

School Meals – the Food Service/Child Nutrition program will provide all students affordable access to varied and nutritious food based on the current Dietary Guidelines for Americans, USDA meal patterns, and Smart Snacks in Schools. Students are discouraged from sharing food with one another during meal times due to allergies, and other dietary restrictions.

Nutrition Education & Promotion

Nutrition promotion and education positively influences lifelong eating behaviors by using evidence-based techniques, nutrition messages, and by creating food environments that encourage healthy nutrition choices and encourage participation in school meal programs.

Classroom Celebrations

We know that birthdays and holidays are important to every child and that kids like to celebrate with their classmates. However, sending in a food treat to the classroom to celebrate can exclude those children who have food allergies, diabetes or other dietary restrictions.

Suggested alternatives to food treats for birthday and holiday parties at school are:

- Party favors – erasers, pencils, stickers, bracelets, key chains, slinkies, etc.
- Parent or guest can visit the classroom and read a book to the students! (Elementary)
- Purchase something for the classroom – book, game, plant, craft, etc.
- Bring in something the students can sign – a t-shirt, tote bag, autograph book

Healthy Snacks: Yogurt/yogurt parfaits, cheese, fruit or veggie cups/kabobs, bottled water, 100% fruit or vegetable juice; no nut snacks or peanut butter please! We encourage parents to bring treats that follow the Smart Snacks In Schools standards. See list on website for additional information.

Fundraising

Activity-based fundraisers are wonderful such as field days, walk/run/bike/dance a thons, jump rope or hula hoop competitions. Other non-food fundraisers that work well are talent shows, yard sales, festivals, singing telegrams, and art shows.

Only foods and beverages that meet or exceed the USDA Smart Snacks in Schools nutrition standards may be sold on school grounds during the school day (midnight until 30 minutes after the instructional day). See the GJPS Child Nutrition website area for Smart Snack info
