

## Summer School Middle School Class Descriptions – June 10 – July 3, 2019

The success of the summer school program is directly related to the ability of our staff to create the best possible learning environment. To assure the opportunity for each student to enjoy their summer school experience, we ask that students and parents be aware of the following policies:

**ATTENDANCE:** Each class is very important and time is limited, so attendance is expected. Attendance is recorded daily for each class.

**For safety reasons, in the event of an absence, you must contact the Journey to Learning Line at 614-269-4700.**

Students are to conduct themselves in accordance with the rules and regulations they followed during the regular school year. Although informal attire is permissible during summer school, standards of good taste will be maintained. Inappropriate behavior will not be tolerated and continued violation of the rules may result in disciplinary action including dismissal from the program without credit or refund of fees.

Please note: A federal food service program is not available during the summer.

All classes must meet a minimum enrollment in order to be offered.

Gahanna-Jefferson students on the free lunch program can take summer middle school classes at no charge. Students on reduced lunch must pay 15% of the total cost of middle school classes.

Summer school classes are designed for those who may have struggled during the school year and need reinforcement before moving on to the next grade. Even if you indicated you would participate in summer opportunities through your elementary/middle school, you still need to register for summer school.

All classes are offered Monday-Friday, 8:00 am – 10:00 am OR 10:00 am – 12:00 pm unless otherwise noted. -----

**Reading and Language Improvement Grades 5-8.** These classes are offered at Lincoln High School, 140 South Hamilton Road. **Fee \$130**

*Small group classes at each grade level.*

These courses are designed to provide individualized, small group instruction to improve reading and writing skills. Using a wide variety of fiction and non-fiction materials, students will participate in multiple performance tasks based on individual interest and needs. -----

**Math Improvement Grades 5-8.** These classes are offered at Lincoln High School, 140 South Hamilton Road.

*Small group classes at each grade level.*

**Fee \$130**

These courses are designed to help students develop a positive attitude toward math and help students to feel more confident with their math skills. Students will improve their math skills by using manipulatives and hands-on activities in a small group setting with individualized instruction.

**STUDENTS IN GRADES 6-8 DURING THE 2018-19 SCHOOL YEAR NEED TO BRING A CHARGED CHROME BOOK TO CLASS DAILY.**
