“WHERE STUDENTS COME FIRST”

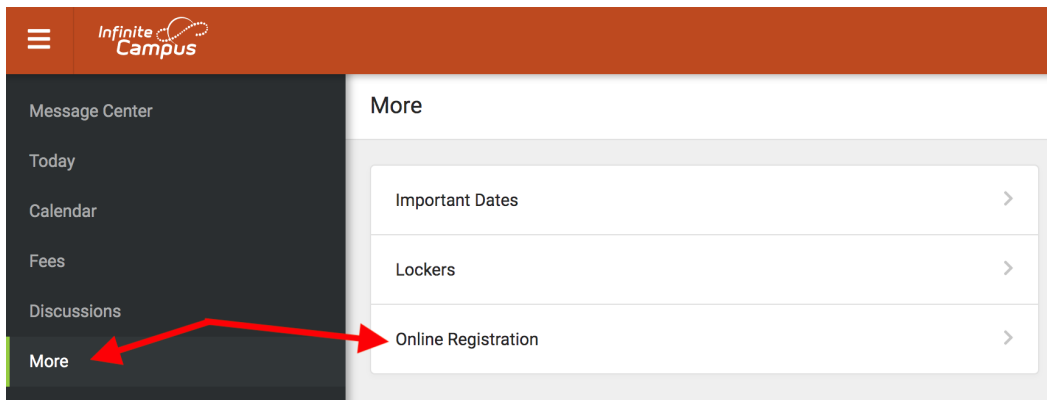

Welcome to the Gahanna-Jefferson Public Schools 2021/2022 School Year!

Beginning today, July 26, 2021, Parents/Guardians will have access to complete this year's **ANNUAL INFORMATION UPDATE** in their Infinite Campus Parent Portal. **Please do not use the new student option to update information.**

To ensure we have the most up to date information, it is important that all families complete this process by August 31st, or sooner, as instructed by your building Principal. To help speed the process for you, we have populated some previously received information, but there are a few areas that require an annual update. **Due to legal requirements, not completing the annual information update could impact a student's ability to participate in some school events.**

To complete the annual information update:

1. Log into your parent portal at our new url:  
[https://gahannajeffersonoh.infinitecampus.org/campus/portal/gahanna\\_jefferson.jsp](https://gahannajeffersonoh.infinitecampus.org/campus/portal/gahanna_jefferson.jsp)
2. Click **MORE** from the left-hand column
3. Click **Online Registration** from choices on the right
4. Click “Click here to go to **Existing Student Registration**”

Please note that your Infinite Campus Parent Portal account is intended to be used only by parents/guardians and will allow you to access information on all students in your household.

All students in grades 6-12 will also receive their own personal student accounts which will allow them to access only their own information. We advocate that students use their personal student accounts rather than a family/parent account to ensure data privacy.

Parents and guardians also have a new option to recover their username and password. They are located below the username and password fields.

### **MyPaymentsPlus - FEES WILL BE POSTED BY AUGUST 2nd**

GJPS offers an online payment system through MyPaymentsPlus. This system can be used to pay for meals and various school and athletic fees.

Please Note:

- If you participate or plan to participate in the Federal Free and Reduced program, you can choose to wait and pay your fees until you know the outcome of your application and complete the fee waiver form.
- If you plan to change a course that has a course fee associated with it, you can pay your other fees and omit that particular course fee or hold off paying all fees until the change is reflected in MyPaymentsPlus.

- Athletic fees will be assessed once rosters are set. Please be sure to check back when appropriate for your student's sport.
- If you are unable to make your payment using MyPaymentsPlus, please contact your building secretary to make other arrangements.
